Acorn Lamp

TL660

Collection Name

CANTERBURY COLLECTION

Think of Autumn in England and you are sure to conjure up images of misty mornings, fallen leaves and of course, acorns dropping from oak trees. This Autumnal treasure will find space anywhere in the home. Available in four different colours, each piece is wrapped one by one in a generous, abstract glass ribbon, giving each an individual appeal and a satisfying weight. The Acorn lamp may be small in stature, but its presence and poise is undeniable.

Required modifications for use on yachts - lacquer applied to all metal components, "sea rod" through centre to secure base to surfaces, with the cable exit through bottom of the base.
