## Anvil Wall Light

WL57

Collection Name

**CANTERBURY COLLECTION**

The perfect addition to the Canterbury collection and inspired by the heavyweight Anvil metal working tool used to hammer and beat metal into shape. The Anvil wall light is made up of an individual ring of beaten metal, in which sits double ended slender shades. Which together create elegant framework, crafted in our metal workshop in Italy.

Required modifications for use on yachts - lacquer applied to all metal components.
