Pentagon 3 Chandelier

CL459

Collection Name

RETRO MURANO COLLECTION

A new take on our popular Pentagon chandelier series, the Pentagon 3 chandelier is a welcome addition. Combining both retro-chic and modern opulence, the Pentagon 3 chandelier is made up of slanted Murano glass which hang gracefully from a two tiered metal frame. This latest design is the perfect balance of craftsmanship and contemporary style.

Required modifications for use on yachts - lacquer applied to all metal components, double screw glass pieces, and slightly increased glass spacing.
