Collection Name

NEW PRODUCTS COLLECTION

The Monsoon table lamp offers you the opportunity to harness the power of nature's soothing energy. The crashing rains of this spectacle of the natural world are completely immobilized within an elegant teardrop shaped glass form. Created in an array of elemental colourways, watch as bubbles dance in a rhythmic pattern evoking the sway of raindrops as they fall and bring the hypnotic energy of a refreshing monsoon into your home.

Required modifications for use on yachts - lacquer applied to all metal components, "sea rod" through centre to secure base to surfaces, with the cable exit through bottom of the base.
