## Regolith Wall Light

**WL206**

Collection Name

**MOONLIGHT COLLECTION**

Star of the show or the ultimate accessory to the Regolith ceiling light is the Regolith wall light. The contours of its glass shade are evocative of a 1920s cloche hat, scaled down from the larger ceiling light shade with a delicate rework of the geometric lines of this design series. Blanketed in glittering grains of glass, this blend of fashion and celestial influences offers to set the room to sparkle.
