## DIAMOND OBELISK

Our exquisite Diamond Obelisk table lamps are inspired by ancient Egyptians, who placed pairs of obelisks at the entrance of their temples. This stunning piece is a fusion elegance and modern design, featuring a sleek obelisk silhouette that exudes sophistication. Crafted to perfection by skilled artisans. Elevate your decor with the enchanting beauty of Murano glass and illuminate your space with the unparalleled brilliance of the Diamond Obelisk table lamp.

## DIAMOND SQUARE OBELISK

The Square Obelisk table lamp, draws inspiration from the iconic architectural structure. It features a tall, four-sided design with a narrow tapering profile that culminates in a pyramid-like shape at the top. Historically, obelisks were erected as monuments or landmarks, notably in ancient Egypt and other civilisations, symbolising power and commemorating significant events, individuals, or locations.

## CREST

Rolling waves tumble and break over the dome of these atmospheric glass pendants which feature a hot finished edge, preserving the molten fluidity of the glass. These temperate waves are the perfect antidote to the tumultuous storm captured within its table lamp counterpart: the calm before the storm.

# GLACIER

The finest quality English lead crystal is carved in a fashion that mimics the patterns etched into the weather beaten walls of glacial caves. Drawing on the Murano glass craft of 'Battuto' whose name itself derives from the Italian word for 'beaten', our Glacier pendant and table lamp have every facet carved out individually by our English crystal experts.
